

HVS Brokerage & Advisory

HVS is the only global consulting firm focused exclusively on the hospitality industry. We provide clients with a comprehensive set of solutions to succeed in the hospitality arena, through every phase of ownership and across a wide array of hospitality assets.

The Brokerage & Advisory Division provides asset opportunities and financial solutions tailored to meet your specific needs.

BROKERAGE

We work with you to market your hospitality asset effectively and to execute a sale that maximizes your return. Our investment sales team has industry experts with experience in transacting hospitality assets. Members of the team have an extensive network of relationships that provide unmatched access to hospitality investors and executives. Whether you're seeking to sell a single asset or a larger portfolio, you'll have an industry expert at your side to ensure an efficient, seamless process.

DEBT & EQUITY FINANCING BROKERAGE

HVS leverages its strong relationships and knowledge of capital markets to source debt and equity with the most optimal terms for any type of hotel-related asset or portfolio. Our goal is to source capital at the lowest cost with the best possible terms on your behalf. We also negotiate for equity capital on behalf of ownership entities to maximize capitalization goals.

INVESTMENT SEARCH

If you're seeking to purchase an asset, HVS will work with you to identify a property or portfolio that meets your specific criteria. In a constantly changing environment, our long-standing relationships and extensive market knowledge help you find the precise opportunity to meet your goals.

With a global footprint and over 40 offices nationwide, HVS's hospitality intelligence and extensive expertise will help you achieve the results you want.
